Student Evaluation of Courses and Faculty

Student evaluations of faculty and courses are used for improving courses and evaluating faculty members. They will not affect your grade in the course. The faculty member will have access to the evaluations only after submitting final grades. Listed below are a number of statements which describe this course, aspects of the professor's teaching, and your own performance. Rate each of these items by marking the most appropriate response category. Rate each item as thoughtfully and carefully as possible. Your responses will remain anonymous and confidential. Thank you for taking the time to complete this evaluation.

What useful feedback could you provide the professor of this course? (Please be specific.)

The class moves too slowly.

What were the best aspects of this course? (Please be specific.)

The study guides were useful.

What would you change about this course? (Please be specific.)

The time length of the course. It's completely unnecessary. It's too long and a lot of time is wasted.

Please evaluate your own performance in this course. That is, are you satisfied with your accomplishments in this course? If not, what should you have done differently to improve your performance and/or comprehension of the course material?

I did okay but got bored because of the pace of the class.

What useful feedback could you provide the professor of this course? (Please be specific.)

The HW was not really related to class, like it wasn't covered till after it was turned in...
 Also when lecturing I often had no idea what material was being covered / why it mattered, felt like I was being talked at not to.

What were the best aspects of this course? (Please be specific.)

Low workload

What would you change about this course? (Please be specific.)

No online HW

Student Evaluation of Courses and Faculty

Student evaluations of faculty and courses are used for improving courses and evaluating faculty members. They will not affect your grade in the course. The faculty member will have access to the evaluations only after submitting final grades. Listed below are a number of statements which describe this course, aspects of the professor's teaching, and your own performance. Rate each of these items by marking the most appropriate response category. Rate each item as thoughtfully and carefully as possible. Your responses will remain anonymous and confidential. Thank you for taking the time to complete this evaluation.

What useful feedback could you provide the professor of this course? (Please be specific.)

It would be nice to have hand written homeworks instead of online.

What were the best aspects of this course? (Please be specific.)

The professor wants us to learn and gets excited when he knows were trying our best in the course.

What would you change about this course? (Please be specific.)

Nothing

Please evaluate your own performance in this course. That is, are you satisfied with your accomplishments in this course? If not, what should you have done differently to improve your performance and/or comprehension of the course material?

The course was tough. I'm not satisfied with my grade but I am satisfied with my effort.

Student Evaluation of Courses and Faculty

Student evaluations of faculty and courses are used for improving courses and evaluating faculty members. They will not affect your grade in the course. The faculty member will have access to the evaluations only after submitting final grades. Student Evaluation of Courses and Faculty

Student evaluations of faculty and courses are used for improving courses and evaluating faculty members. They will not affect your grade in the course. The faculty member will have access to the evaluations only after submitting final grades. Listed below are a number of statements which describe this course, aspects of the professor's teaching, and your own performance. Rate each of these items by marking the most appropriate response category. Rate each item as thoughtfully and carefully as possible. Your responses will remain anonymous and confidential. Thank you for taking the time to complete this evaluation.

Yeah I think I did pretty well.

Student Evaluation of Courses and Faculty

Student evaluations of faculty and courses are used for improving courses and evaluating faculty members. They will not affect your grade in the course. The faculty member will have access to the evaluations only after submitting final grades. Listed below are a number of statements which describe this course, aspects of the professor's teaching, and your own performance. Rate each of these items by marking the most appropriate response category. Rate each item as thoughtfully and carefully as possible. Your responses will remain anonymous and confidential. Thank you for taking the time to complete this evaluation.
