## Student Evaluation of Courses and Faculty

Student evaluations of faculty and courses are used for improving courses and evaluating faculty members. They will not affect your grade in the course. The faculty member will have access to the evaluations only after submitting final grades. Listed below are a number of statements which describe this course, aspects of the professor's teaching, and your own performance. Rate each of these items by marking the most appropriate response category. Rate each item as thoughtfully and carefully as possible. Your responses will remain anonymous and confidential. Thank you for taking the time to complete this evaluation.

What useful feedback could you provide the professor of this course? (Please be specific.)

Hanson's willingness to just jump on this idea that I had was awesome! The support that he was able to provide was and is very cool

What were the best aspects of this course? (Please be specific.)

Learning and doing cool new things, getting advice from Hanson was super helpful

What would you change about this course? (Please be specific.)

Nothing.

Please evaluate your own performance in this course. That is, are you satisfied with your accomplishments in this course? If not, what should you have done differently to improve your performance and/or comprehension of the course material?

I wish more time could be spent doing stuff like this!

What useful feedback could you provide the professor of this course? (Please be specific.)

Professor Hanson provides a great source of info to further your knowledge in research and engineering.

What were the best aspects of this course? (Please be specific.)

The integration of building in the Lab.

What would you change about this course? (Please be specific.)

Please evaluate your own performance in this course. That is, are you satisfied with your accomplishments in this course? If not, what should you have done differently to improve your performance and/or comprehension of the course material?

I enjoyed and did well. It was difficult to manage my time with other ~~class~~ classwork but was still able to reach our goal we set this year and will continue research with prof Hanson this summer.
